Ray had a great spirit and a willingness to please! He would clear a chair for Mark to sit and watch TV with him pointing to his knee often which was a subject of great pain for him. He looked so good after the haircut and shave he received but DONT TOUCH THE STACHE MARK! I will miss his oddness and his kindness! Whittakers I love yall! GOD BLESS AND KEEP YOU!KEVIN IN BRANSON MISSOURI

It's not the same person. This obituary says the person passed away at Hurley medical center which is in Michigan. Ray Whittaker from soft white underbelly lives in odd West Virginia. Do you really think he ended up at a hospital in Michigan?
