“ *My condolences to Raymond Huddleston's family and friends.*

I remember Raymond called Ray in highschool. He was in my 10th grade class at Northwestern High School in 1977. He was in my swimming class. One day while I was swimming in the water, I got out the water and Ray swam over to me as I sat on the edge of the platform and he hand-clapped both of my thighs with his hands greeting me with laughter. My thighs were wet from the water and his hand-clapped stung a little.

Ray Huddleston was a protective and good friend. He will be missed.

May the soul of Raymond Huddleston is born again of water and spirit and enter the kingdom of God in the name of Jesus Christ. John 3:3-5 Holy Bible. John 3:16-17

“ *To my childhood friend I knew from Dewey School and through out my life, I want to say to his family that Raymond was a kind person who fought to the bitter end! I was just thinking about my friend a week ago thinking he was alright and doing better with his health since I was one of his nurses who took good care of him when he was ill. God my heart dropped when I saw his obituary! May God give all the Huddleston family peace through out your grief! Amen!*
