“ I would like to give my love and deepest condolences to the family and friends although I consider myself family. Ray Ray was one of my babies I would have never thought in a million years you would be gone this soon but only God knows our life and when it's time to come home. And you gave so much love when you were here you left enough to be seen everywhere I go they speak very highly of you I never knew you touch so many peoples hearts and you're legacy speaks for itself what a great man you were and we will never forget that beautiful smile and generous ways that made me feel loved and I know you will be at heavens gates to welcome me home when God calls me home so until then it's see you later and fly 🕊️ high in the heavens above and I know that you're watching over us all and what a beautiful angel you are in Jesus name amen 🙏❤️
