“ I met this awesome young lady a few years ago while caring for Jason Shann. I was surprised with her smile each time I came over and recently had made plans to see her for a couple days in July. Reba covered her name tag while I was checking out at the U of M hospital with lunch, I would have never guessed it was her. I am saddened by the news and pray for the family and friends to find comfort. I will miss you Miss Reba. Your girl Jessica Lutze
