“ One night a man had a dream. He dreamed
he was walking along the beach with the LORD.

*Across the sky flashed scenes from his life.
For each scene he noticed two sets of
footprints in the sand: one belonging
to him, and the other to the LORD.*

*When the last scene of his life flashed before him,
he looked back at the footprints in the sand.*

*He noticed that many times along the path of
his life there was only one set of footprints.*

*He also noticed that it happened at the very
lowest and saddest times in his life.*

*This really bothered him and he
questioned the LORD about it:
"LORD, you said that once I decided to follow
you, you'd walk with me all the way.
But I have noticed that during the most
troublesome times in my life,
there is only one set of footprints.
I don't understand why when
I needed you most you would leave me."*

*The LORD replied:
"My son, my precious child,
I love you and I would never leave you.
During your times of trial and suffering,
when you see only one set of footprints,
it was then that I carried you."*

*When those we love have left this earth, we still can feel them near.
We'll see a picture, hear a song, and it's just like they are here.
And when we call upon our faith, when we believe and trust, we
know the ones we care about are always close to us.*

My God Continue To Bless You

“*Redena will truly be missed. She brought so much love and joy to the family. We have experienced and suffered a great loss. The wonderful memories of her will forever remain in my mind and heart. If she could speak to us now, perhaps she would share with us how to remember her.*

How To Remember Me:

A time will come when my life will cease. But when that time comes I ask that you remember these things:

Bury my body but don't bury my beliefs.

Bury my heart but don't bury my love.

Bury my eyes but not my vision.

Buty my feet but not the path of my life.

Bury my hands but don't bury my diligent efforts.

Bury my shoulders but not the concerns I carried.

Bury my voice but not my message.

Bury my mind but don't bury my dreams.

Bury me but don't bury my life.

"If you must bury something, let it be my faults and my weaknesses, but let my life continue on in you."

I love you Redena and will miss you deeply.

“ Ms. Redena was a very nice lady. When ever she came around she was always full of energy and laughs. My mother Nancy Foster and Ms. Redena was really good friends ever since I was in Middle school. When I heard of her passing I was really suprised because of the fact that it came out of no where. I'm happy for all the pleasant memories I have of her, and to her family my prays are still with you til this day, and its 7months later, but I will always think of you guys because Ms. Redena was really a special friend to our family.
