“ My sincere sympathy to the family and friends of the Hicks family . Death of a loved one can be a difficult time in ones life,but " by meditating on Jehovah's promises found in the bible you can find real hope and the strength to keep going" at (1 Thessalonians 4:13) shows that they do have a hope of a resurrection of life on earth.

“ So sorry for your loss. Did you know that Jehovah hates death. He views it as an enemy. 1cor15:26. He has a yearning to conquer that enemy, undo death by means of the resurrection. He longs to bring back those who are in his memory and to see them live on earth again. Job14:14,15
