“ *I couldnt believe that Reggie was gone. We worked together on the road and we used to always talk smack and joke around. I still pass his words of wisdom on to everyone.....If you ask 100 girls a day for a name and number at least 1 will give it to you.*

“ *Reggie will be dearly missed by my family and I. My deepest regrets and sorrows go out to his mother and the rest of his family.*

“ *The thing I will always remember about Reggie is his sense of play. No matter how angry or upset I was he could always get me to laugh or smile. His smile alone had its own light and charm. However it was his ability to be so silly that saved the day time and time again. I only hope that wherever he is, he's still smiling and pulling pranks. I'll miss him.*

*Sincerely,  
Crystal*
