“ *To the Johnson family I send my condolences. The bible said man would live 70 yrs or with strength 80 yrs (Psalms 90:10)in the time of the end. This would be short in comparison to Adam and Eve that lived 900+ actual years.(Genesis 5:5) Mr. Johnson is proof that these are the last days. So we can rest assured that the promised changes are near at hand. One promise that the Johnson family will enjoy is the resurrection of your loved one. (John 5:28,29) Jehovah God said there will be resurrections and his son, Jesus proved it while on earth. (John 11:11-14,43,44) Please read these scriptures and be comforted.*
