“ *Let me offer my condolences. I am a Minister and find hope within the scriptures. I have lost love ones in death but find confort in John 5:28. Jesus talks about those in the memorial tombs will "hear his voice and come out". Yes, Jesus speaks of a time when we will be able to see our loved ones again. This scripture has brought me much confort and hope and I hope it provides the same for you. Again, please accept my condolences.*

“ *My Dearest Granddad I miss you so much I know you are at peace right now and Grandma told me if you could come back you wouldn't and I know that, but losing you is like losing my father all over again, When daddy died I said now I have no father and you told me as long as you had breath in your body you will always be there for me so that's what go me through the death of my father, So who's going to get me through the lost of you? And I know you are saying Look too the lord and he will get me through. Until I see that beautiful smile again.*

*Love, your Tina*

*How much you gave me in happiness.*

*I thank you for the love you each have shown,*

*Buth now it's time I traveled on alone.*

*So grieve awhile for me, if grieve you must*

*then let your grief be comforted by trust.*

*It's only for awhile that we must part*

*So bless the memories whit'in your heart.*

*I won't be far away, for life goes on,*

*So, if you need me, call and I will come.*

*Though you can't see or touch me, I'll be near,*

“ *My grandfather will be missed by ALL..I don't even know where to begin..For all of my life, and no exaggerations, this man has been the light and life to ANY and ALL gatherings..No matter the size..He has always expressed his concern and love for me, no matter how far I was..He made sure I knew that he was only a phone call a way, if I ever needed him for anything..His bright smile, contagious laughter, bubbly spirit always made my day..No matter what I was going through, I could talk to him and he instantly made my day..I love and miss him dearly..*
