“ *To Rick's Family: We wanted you to know we have you in our prayers. We also want the family to know how much we enjoyed Rick's friendship over the years--being co-workers and the best man at our wedding. As for fishing, we laughed about the BIG ones that got away and the little ones we kept. We just talked about going fishing next year, so keep your pole ready because we will go again. God bless and keep you in His good care. Roy and Teri.*

“*I sat and thought about what all the times i had with my Uncle Ricki. And it was never a time that i can remeber that he never had a smle on his face and never had a bad word to say. He threw the best back yard parties my summers ever had when i visited. I will miss him and his bear hugs dearly.*
