“ Mr. Dicks "(Officer Dicks)" in my heart, was a true "CHAMPION" for the city of Flint. He guarded us in the community with a compassion unequaled by others in the department at that time. I'm thankful to GOD for crossing paths with him. He gave so much of his personal self in the form of Golden Gloves trainer for the Police Athletic Association out of Berston Field House and various other community activities aimed at the betterment and positive guidance of our youth. My condolences to the entire Dicks family. GOD bless and keep you.

“ *To the Dicks Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
