“ I will keep the family in my prayers, especially the children, mother, siblings, and spouse. God will never put more on us than we can seem to bear. He never makes mistakes either, although it may be hard to truly understand, as each day pass, it will get a little easier- just rely on God for strength. Rich was a loving father and he will be missed dearly. I will hold our 1st conversation we ever had near and dear to my heart, with God's intervention it will come to pass. To my fiance' Chevez Marshall, Rich's 1st born I love you-and I will stand by your side helping you cope and get through.  
Love you all
