“ *R.I.P. Richard. Let me share a memory of Richard. I went high school with Richard. We both played JV football and played in the Marching band during our sophomore year. The following is a memory that sticks in my mind to this day. We had a JV football game at Pontiac Central starting with a afternoon kickoff on a Friday. The Varsity had a night game at Atwood Stadium that night and we needed to be back in time to play in the Marching Band. We got back with not much time to spare. Richards parents were waiting for us by the Athletic building to take us to the Atwood.. Both of us were still in our football uniforms. We changed into our band uniforms in the back seat as his parents drove us to Atwood. We got out of the car and ran just as the band was starting to march to perform before the game. This memory of Richard will remain until I pass on. Allen McFall, class of '64.*
