*To my family; just knowing now that our family needs to pull together; not knowing my little cousin is very upsetting. We don't even spend time together like our parents had us doing when we was small. Now is the time for all of us to come together, so our kids know that they have alot of family nationwide. Since I'm one of the oldest cousins, I will make it my job to get everybody together, so we don't have to meet each other at a funeral. God Bless,*

“ To The Family of Master Richard A. Wallace II,  
I would like to express my greatest sympathies to you and your family. I am so very sorry that your son had to experience our greatest enemy ever...Death. God does not "take" children from their parents, as some have been told. Some children die in accidents, as adults do. Please read in your personal copy of the Bible and read Ecclesiastes 9:11. This always helps me to see the truth about why things happen that we can't explain why with a clear cut explanation WHY? WHY MY BABY? But Jehovah 'yearns' to reunite children with their parents by means of the resurrection, and lovingly has made provision to do so. John 5:28-29 says Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out. Then also know in my heart I know that Jehovah is eager to help those that have to fear, cry, or go through tragedies as you and your family unfortunately have to go through. Isaiah 41:10, 13 says: Do not be afraid, for I am with you. Do not gaze about, for I am your God. I will fortify you. I will really help you. I will really keep fast hold of you with my right hand of righteousness.  
Again I express my greatest sympathies for you and your family. For more information please refer to the website [jw.org](http://jw.org).
