“ Goodbye, my dear friend. I remember the times we had at the Hammer Dropper teen nights. Back then those were the good old days nobody could ever duplicate I was glad when my dad let us have those Friday nights. That's when teens could go out and not have to worry about violence. And when I ran back into you at the gas station, we remembered each other. It truly hurts I never thought that would be our last time seeing each other. RIH my dear friend we'll meet at the crossroads until then fly high my baby. To your family I send heartfelt love and condolences, he was a great man and he'll be truly missed."
