“ Grand ?Dad ?Mule?

If we didn?t know how much you cared, all we had to do was look in your eyes. If you didn?t show how much you cared, all we had to do was look in your eyes. Your eyes showed your soul, your soul showed your spirit, your spirit showed your true feelings and your hearts desire. You did care, you did love and you did provide. All those times you took us to school, work, and any other activities, you may have moaned and groaned, but we were never late for any of them, you made sure of that. You always said ?you have to make time for the unexpected?, your passing was truly unexpected and you will be greatly missed. You loved in your own way, but one thing?s for sure, you did Love!!! We know that your in heaven, where there is no more pain and suffering, don?t worry we will take care of Granny down here while God takes care of you. One thing?s for sure we knew you cared even when we act like we didn?t, for all we had to do was look into your eyes.

Love, Nisha
