“ *I worked with Rishaul at The Moveable Feast, he was a great person, outstanding personality, kind hearted and great sense of humor. I along with my co-workers loved working with him. Rishaul had a beautiful smile that fit his personailty. I gave him my daughters dog as I knew he would take great care of her. That dog loved him so much, where Rishaul was his doggie was. She was always at his side. He is going to missed by all of us at The Moveable Feast. My prayers are with the family during this difficult time. God Bless. Teri Johnston*
