“ *First trip to Flint, as a teenager, Robbie Ann and Nita showered me and my sister Julia with real family love. I remember getting sick from the heat Robbie Ann made sure I was comfortable and made sure I ate because I didn't want to eat. I will always remember you and be grateful for the loving tender care You and Nita provided for me and my sister.*

“ To the entire Baker family, you have my personal most deepest sympathy and prayers. Our families grew up so close together, it seems that when one of us hurt. We all hurt..
I lost my mother Delois Louden in 1996 and that was the single most devastating thing that ever happen to me. But through prayer and understand how Christ works, I also learned how important it is to have friends praying and supporting you. During our greatest trials in life. It hurts me so bad that I can,t be there to pay my last respects, but I will be there in spirit. Stay strong and cling on to every memory of what your mother taught you individually and as a family. Never let it go, because I promise you. Her spirit will live forever and she will pull you through this too. Your friend for life!!!!

“ Dear Baker Family and Friends,
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is fresh, even with the passage of much time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress.(Psalms83:18,Psalms65:2) Please be assured , death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again.(Isaiah 25:8) My family and I wish you and yours peace.(Phillipians4:7)
