“ *Family and friends of Robbie,*

To be absent from the body is to be present with the Lord!

I remember when I was sick, and I stopped by your office at the University of Michigan - Flint. You opened your drawer and pulled out the infamous Buckley's cough syrup! It immediately opened me up, and the children I didn't have yet, too, lol.

Praying for all of you! May God grant you, the family, and friends, peace, healing, and strength!

Well done, good and faithful servant.
