“ *Im truly sorry for your lost. Robert was a good friend of mines...he opened my eyes to a lot of things. He was such an intelligent, caring, and just a gentleman. I still can't believe this is real...he was like a therapist to me. Who can I talk to now, or discuss changing the world with (tears). Never thought August 6 would be the last text you would send...stating "Stay Strong". I look at that now and tear up, but I know what you meant man. I will never forget you, or the huge impact you made on my life. Much love for you my brother, Rest In Peace Robert!!! Never forgotten!!!*
