“ One Day You and Then Your Gone. I will cherish every moment that I remember. I will not be sad. I feel as if I'm happy you are at peace, cause now I don't have to worry about what you are doing or if you are okay. When you reach Heaven you let my grandmother know that I miss her sooo much. and now it's time for me to start missing you. I remember at her funeral you told me not to cut up. So i didn't know what are you going to tell me-cause already I'm ready to cut up. But I'm not I'm going to stay strong and keep my head up high, cause I'm proud that you were in my life and I promise I'll never let you down. So until we meet again rest granddaddy rest. and remember you was always love to the fullest. I love you and I'll see you again. PEACE BABY.
