“ *Mr. Coleman was my gym teacher at the Brown St. units, then at Eisenhower. I was happy to see him when I was at Southwestern High School. He was a very nice person. I'm sure he made an impact on many lives. He will be missed by many.*

*Dear Coleman Family,
I too had Mr Coleman at Eisenhower and was 1 with the whole class that had to stand up facing the gym wall and we each got a swat. Because he had told us on our next gym day we lost our free time and had to come in and sit in squads...of course we forgot and our whole class had free play until Mr Coleman blew his whistle and told us to line up facing the wall and he reminded us we were supposed to come in and sit in squads. That was my only swat in k5 thru 12 yrs.*

But we all loved Mr Coleman was happy to see him at Flint Southwestern when we got to High School.

So Sorry he has left this world way to soon!
