“ *Dear Linda and families, my thoughts and prayers are with you. The memories of the good times I had with my cousin and friend Robert will last forever. From Eoff street, the Nelson Jordan Center and all over Wheeling. All comforted by the Bible based hope of the day of resurrection when we will be united with loved ones that have passed before us. Jesus who is the truth and the light has been given the power to resurrect all who he chooses. Death has no power death has no sting over those that Jesus and his heavenly father want to give life to. Rev.21:4 "And he will wipe out every tear from their eyes, and death will be no more ..." the day we will be able to see our loved ones again is just around the corner.*

“ *May the fruits of the Spirit bring Peace and understanding to each of you during these times. Robert was an awesome man of many life blessings. He shared his gifted hands and knowledgeable skills first hand with his brother Clarence building my dad's garage. And meeting his beautiful wife Linda lead to many year's of friendship. I am so in disbelief finding his transitional page today has saddened me. Such a loving husband who cherished the love of his wife and children. A couple full of love & smiles each time you see them . Carrying year's of devotion and love among themselves. May his soul Rest in Peace. And the Lord strengthen You Linda right now amen.*

Love always

“ To the Fleming Family:

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons.

*Yours truly,
Patricia*
