“ *To the Family of Mr. Robert Garth. You have my deepest sympathy in the passing of Mr. Garth. Weeping may endure for a night, but joy cometh in the morning. I had the privilege of being Mr. Garth's tax preparer for over 15 years. I will miss seeing and talking with him.*

“ *Mr. Garth "Big Shug" was a father figure for our neighborhood, whether it was the gospel, the streets, or manhood. Shug understand the conflictions a young man faced growing up in Flint. He was a friend of the family, my GM loved to talk about how funny he was, and I respected him for his effort to hold his family together. His children became my siblings, in which made us family. Thank you for your legacy. Much Respect. - Ju and 618 WP Harden Family*
