“ I had the honor of working along side of Bob Goodman at the Flint Metal Fab Plant in Flint during 1974 & 1975, and I learned a lot from Bob as a new Production Supervisor at the Plant. He was always a wonderful and kind person to work with. Just saw Bob on August 26, 2023, when he came to the luncheon me and my wife had at Ruggeros Restaurant in Flint, during our visit there last summer. Bob always had words of wisdom to share with me as we both talked about growing in the South, he in Louisiana, and me in Tennessee during the period of Racial Segregation in the school systems in those states. Me and my wife extend our prayers and condolences to his family, during this difficult period of bereavement. May God Bless and Keep you. Hewitt & Dornell Chatman, Plant City, Florida.
