“ Robert was very special to me. A loving father. He was like my son. I trusted him in my home when I had to leave. He would lock up. I trusted him with my credit card to buy what he needed for painting my home. He did an excellent job. He was to start another paint job for me this week. He was part of our family we loved him. I shall miss him dearly. He would tell me all the time... "I got you Mrs Pea" "I Got You"...who got me now hes gone. He had a life. Praying for his boys and family. God's Blessings Always.....
