“ *Robert's Jazz*

*Robert's way of being was his Jazz. Like the Jazz that so often filled his home, he was smooth*

*He was mellow and soothing*

*Robert's Jazz was peaceful but could erupt with passion at the sight of a good football play or a news headline*

*Robert's Jazz was gentle and moving*

*If you ever listened to Robert's Jazz it would take you ever so calmly, easily, smoothly, effortlessly to a new high in life, love and politics*

*Robert's Jazz had a way, that if you listened to him he'd draw you in*

*Robert's Jazz was a contagious tune that before you knew it, you would be humming it to.*

*Robert's Jazz was one that left you better off for having listened to it*

*I'll miss Robert's song but it'll play on in my heart from now on*

*I will mmiss him talking all that Jazz*

*God Bless*

“ To the family...So very sorry to learn of your loss. I worked with Bob years ago at the District Court. He was a great guy. Serious at work, but lots of fun outside of work. I know he was also very loving to his family. I am very sorry I will not be able to attend the service, but my thoughts and prayers are with you. "Trust in the LORD" Proverbs 3:5-6
