“ *Buddy was a really good dude. He had a very calm demeanor. He comes from a good family as well. I didn't talk to him much after I left Flint 32 years ago to go off to college and I hate that I didn't stay in contact with him. He will be truly missed! RIH "Buddy"*

“ Prayers and Condolences to the Miller Family. I met Buddy and Al 40 years ago this month.. I wasn't a teen yet but they were. I was driving at the time..Buddy would always say "I can't believe that you're driving..you're not even old enough!" He'd always have to drive my car every time we hung out. My mother introduced us and we remained good friends but then life got away from us all. He was a great guy and very respectful. He will truly be missed and my heart breaks for the family friends and Loved Ones. I continue to pray today and in the future as I have since I was told that he was sick, because the pain and emptiness never stops when you lose a loved one! God bless!

*I can't believe the family is going through this again so soon after cousin Sharon's passing. Buddy was one of my dad's favorite nephews. He always checked in with him (uncle Pete is what my cousin's called him). Buddy loved him and he loved Buddy. In my mind I see them together again with our grandparents, aunts, uncles and cousins who have passed on. RIP 1st cousin until we meet again.
