“ I remember Robert as being a kind and gentle man. It was a great pleasure to have him in the Respiratory Therapy program at Mott Community College. He was always hardworking and dedicated. We got to talk a little Viking football since I played with his brother Marty in '72. When I informed my wife who was a nurse at Hurley of his passing she remarked "I really liked him". I am sure that likability and great smile provided much comfort to the patients he cared for.
