“ *I am going to miss my uncle so much. I remember when I was younger I use to think Uncle Robert was so fine and handsome, which he was. He always made me laugh and just looked out for me growing up. I will miss hie sense of humor the most. I am glad I was able to see him within the last month. I know he is gone to a better place where there is no more pain, or dis-stress. I am glad that he went home to live and dwell in Peace. May God Bless all my Family. I love you.*
