“ Dad,

*You will definitely be missed. You have been there to be a dad to all of us and fill voids that we've had for years. Your spirit will continue to live on so even though you have gone from the flesh, you will never be forgotten.*

*I remember you walking by with your cane saying "just pray".... and I know that as long as we continue to just pray things will work out. They always have and I know that God always will.*

*The family will continue to be strong because of all of the things you have instilled in us and I want your soul to rest in peace knowing that you did a great job. You are a great man!!!! I love you so much and really appreciate you for who you have been to me.*

*Mama Sheila, be strong. God will keep you in perfect peace.*

*Bobby Jr, Cerese, Keisha, Tatum and Terra..... your dad was a great man. He taught us all to get close to God and stay there. With that, we will all be fine. Stay strong and stay connected.*

*I love you all!!!!*
