*I want to express my sincere sympathy for the loss of your loved one. You can be assured that comfort and hope are found in the pages of the Bible. Revelations 21:4 speaks of a time when sorrow will be no more. This is a wonderful hope during our times of grief and pain. Please take care of yourselves.

“As you remember your loved one. In the brightest of moonbeams...In the rustling leaves of trees...In the blooming of flowers...In the sweetest kind of dreams...his love lives on in the most beautiful places you can imagine. He leaves a rich legacy. His love is evident in the many ways he shaped your life and made you who you are. Through you, because of you, his light continues to shine. May God be with you and keep you. With deepest sympathy.
