“ Cuz. . . I'm speechless right now! You, Jr. Daddy(Uncle E.B.) and myself (Jocelyn) had such an amazing, happy and memorable time on that Sunday, May 31st at my place! Daddy and I were so "Full" and so grateful of the time we spent together and I believe that you and Jr felt the same.

I haven't seen much of the family in some years now . . . for so many different reasons but God knew best and he will always know. You were always in the scene at many (if not all) of the family's reunions, graduations, marriages, anniversaries, special occasions, etc., making everyone feel welcome, cracking jokes, making us laugh with your infectious smile; simply showing LOVE! Those gifts were from God and shall never be forgotten. Now share all of your gifts with your new family and friends in heaven. Love you always!

*You were a positive person in my career at The Electronic Monitoring Center. You were so kind when I started, helping along the way. I had planned to come to the Service to pay my respects and somehow marked my calendar for Sunday. I'm sorry to the family. May you find peace knowing he's in the hands of Jesus. He was a bright light & will remember him always smiling.

“ My heart felt condolences to you, Marsha, to Momma Wesley, and to Erin and Curtis. I'm hurting for your loss and of course, my own. I first met him working at Adult Probation in Flint, May of 1989. Seems a lifetime ago, but when I would see him, it felt an hour ago. Over the course of time, he stayed at probation and I went on to work in Saginaw. I even retired before he did! I did go to his retirement party. He would always call if a Dowd had passed away to check and see if they were related. My daughter and I were going to go to Kentucky over the fourth of July and I had rented a car at the airport. I had accidentally 'sprung' the trunk, the second one for this trip. We went to get one more car and we were transferring stuff from the broken one to the third car. We had animals (2 dogs), luggage, coolers, and floor fans. Who do we see in the parking lot? Bob! He asked if we could use some help. Well of course we did! Of course all he could do was laugh as he was moving stuff. What got him most were the fans! Couldn't hardly talk he was laughing so hard! Couldn't get over that part of the transition. The world has truly lost a wonderful person. Rest in everlasting peace.

“ From Barbara McKeown, on behalf of "The Group." A friendship that bloomed from a happenstance meeting involving a rose, became a lifelong Friendship Rose that has lasted for almost 46 years. It was a special bond. We grew from 4 to 7, and became known to ourselves as "The Group." As life evolved, our rose petals began to fall away one by one. Our Friendship Rose has now lost another petal. Grover, Barbara, and Edna will carry you, Bob, in our hearts with the understanding that our Friendship Roses cannot withstand the will of God. To Marsha, Erin, Curtis, and Bob's mother and family. We grieve with you.

To the family of Robert (Bob) Wesley, please accept our heartfelt condolences and prayers.
Patricia, our daughter Chari and I are devastated at loss our our long time friend.
Bob has been a part of Our lives since on a cold Winter night in January 2004 I ran out of gas.
He wouldn't let Pat go alone.
From that moment in time, up until the First of June, Bob has been a part of our lives. (our engagement, our wedding and the birth of our Daughter, just to State a few)
Time won't allow me to tell all of our our adventures.
(Our trips to Spain and Morocco won't be the same, without him.)
Though our hearts are empty at the loss of our Brother, we can rest assured that he will last in our hearts and in our memories.
BIG HUGS to his family from
Pat, myself (Peter) Chari and Tim .
REST IN PEACE, BOB!!
