“ I was saddened to hear about the passing of Roberta. Roberta and I worked together on the Orthopedic floor at McLaren for many years, she was wonderful with patients, a great friend and co-worker. Its seems like the other day I was talking with her by the elevator at work. We worked at time which is now considered "old school" and brings back a lot of memories.
I pray for her and you her family.

God Bless,
Pat Steele, R.N.

“ My Dearest Sister,

My heart weeps for you as I know how much you truly loved your grandmother. We can never be separated from those we love because GOD leaves us with memories to hold & love that never passes. You are definitely in the hearts of others who care about & love you and are praying for you as well as the Parks, & Dulaney family as GOD eases your sorrow replacing it with sweet memories. Your grandmother was a very strong and courageous woman, & is now in a better place where she is free of pain. Rest in heaven peacefully.

*I love you SIS
