I'm saddened by the loss of Sis. Fleming. I have such wonderful memories of her from St. Mark and her friendship with my grandmother. I will always remember her beautiful smile and laughter, the kind and comforting words she spoke about Mother Copeland when she passed and how dedicated she was to her children and family. I send my love and condolences to the Fleming family for this is a great loss. I know that she taught all of you that weeping endures for a time and joy returns in the morning. In due season, I hope that your memories bring you comfort and peace. Sis. Fleming leaves behind a legacy of love that is far stronger than anything that death can take away. May God bless and comfort each of you.

“ *Autrice, I will keep you and the rest of your family in my prayers. You're mother was one-of-a-kind. She said what she wanted you to hear and didn't bat an eye when she spoke. One couldn't help but to love her. I am grateful to have had the opportunity to hug her for the last time two weeks ago at the service for Reverend Girley. Please take comfort in knowing that your mother will forever remain in the hearts and minds of those whose lives that she touched.*
