“ *Hello Steve, We are thinking of and praying for you and your family. I didn't know your mom but she must have been an amazing woman of God to have raised a son like you. I know she is proud of you and know we will all spend eternity together enjoying the awesome experience of living in God's presence. I'm sure she is looking over Heaven's balcony and will welcome you home when it's your time. Maybe she will meet my mom and dad there. If there is anything you need, just call.

“ Did not know Ms. Jackson but do know her son Steve. Ms. Jackson was a very blessed mother to have someone like Steve as a son. If Steve's character and integrity is any reflection of Ms. Jackson, she was an extremely honorable lady. May God comfort the family in this time of loss.

“ *Michael, Claudine & Family:*
You have shared such a wonderful history with your mother, which make up small and big moments rich in family laughter and love. It's never easy saying good-bye to someone who was such a vital part of your life; but there can be comfort in knowing that she lives on in your cherished memories and through those memories, her spirit will always be near. May God comfort you and hold you even closer during this difficult time in your life. We will never forget her smiles when we brought her roses during her illness. Her smile was sincere. We are here for you in prayer and anything you need. God bless you all.
