“ We are going to miss you cuz!!! Our deepest sympathy goes out to our family and we will keep you in our prayers.

*If We Could Bring You Back Again*

*If we could bring you back again,  
For one more hour or day,  
We?d express all our unspoken love;  
We?d have countless things to say.*

*If we could bring you back again,  
We?d say we treasured you,  
And that your presence in our lives  
Meant more than we ever knew.*

*If we could bring you back again,  
To tell you what we should,  
You?d know how much we miss you now,  
And if we could, we would.*
