Mr. Rodger Marshall was born November 18, 1948 in Brinkley, Arkansas to Neomia and Leroy Marshall. Rodger was the second child of three children. Rodger and his siblings were afforded the opportunity to live in many states because his father made a career in the military, serving in the air force. Rodger was a graduate of Marianne Anderson High School Class of 1966, where he served as Senior Class President. He played in several high school sports, exceling in football and basketball. He continued his education at the University of Arkansas at Pine Bluff, where he became a member of Omega Psi Phi Fraternity, Incorporated, Tau Sigma Chapter in the Fall of 1967. “ Rodger and Pat were like family to my parents, Rome and Emergine Barbee (they called him Marshall). Whenever they needed help they would pick up the phone and call Rodger. Without hesitation, even in the middle of the night, he would be there at their side to offer assistance wherever he could. Rodger was a strong, quiet and gentle man with a heart of gold. I will never forget the LOVE he showed my parents. May God grant Pat and the family strength and comfort at this time. Much Love,

“ Rodger, always made me feel like my presence mattered. He was my cousin and although he grew up with my older brothers and sister he always made me feel welcomed and loved in his presence. For as long as I can remember he was there, a calm, gentle steady force in our family. His love for his wife Pat and his children were second to none. So many in our family have passed on and we miss them greatly, but you, gentle giant as you were will be remembered always. I love you cousin, god speed until we meet again.

Love,
Kathy

“Rodger was my cousin and my fraternity brother. We grew up together and had a lot of fun together over the years. Rodger was a very kind and thoughtful person and though he was extremely smart and gifted, he was never boastful or arrogant, always down to earth. He was a “deep thinker” who didn’t talk a lot, but when he spoke, people listened because they knew what he said would be relevant and meaningful. Rodger was an avid golfer and we shared many memories on golf courses across the country. I will miss you my cousin.

Roger, was my cousin, but more like an uncle. Roger and my dad Harold grew up together and moved to Michigan where they worked at Ford together. Roger was instrumental for my family when my dad got sick. He made sure to visit frequently and often took him out the house on outings. Aj and I will forever be grateful and we love and miss you!
