“ Rest in Heaven Rodney, sometimes we never know the plan God has for us in life, when you said you wanted to come to Georgia, and you did. I will always cherish our love, friendship and our God appointed me and my family to help to take care of you, you put up a hard fight, and I know if things were different you would have done the same for me. My first love, after I made sure that you had accepted the Lord, I told you that, you can go home now and that is just what you did. Rodney, rest in peace, and I love you, here a kiss, our own little way.
