“ Dear family of Rodrick Garner,
Please understand that God did not want young men to have it so hard or to die prematurely.(James 1:13) Another source is to blame! (1 Peter 5:8) But soon Jesus will be used by his Father, Jehovah to remove that source (1 John 3:8) and restore life to billions that are now sleeping in death, including Rodrick.(John 5:28,29)Please read these scriptures in your bible and receive the comfort that only God's word can give.

“ I would like to express my sincere condolences to the family at your time of sorrow. I've had the honor and pleasure of knowing Rod G. since he was a little boy. I watched him grow up and we were very close in our neighborhood, more like family than just neighbors or friends. He was like my lil brother and I am truly hurt that he is gone. I will never forget him or the bond we built thru the years. R.I.H my baby....love and miss you already....

“ To Peggy, Robin, Roy and all of the Garner family: you have my deepest sympathy. I was shocked to hear of your loss. I had just seen Rod at the store the weekend before. He still recognized me after all this time. I would have walked right past him had he not called my name. I had the opportunity to have a nice chat with him. Such a nice and respectful young man. I am so sorry for your loss.

Love you all,
May God comfort your hearts at this time.

“ My condolences to the family for your loss. I have been comforted by a scripture at Psalm 55:22 it assures us that we can throw our burden God and he will sustain us. I hope this comforts you also.
