“ *Uncle Roland (Chef), as we often talked about what you were cooking for dinner, you shared that one of your favorite dinners was leg of lamb, that I also tried and enjoyed! Also, you know I love you, as I always told you at the end of our conversations.
I thank God for his providing Grace, Mercy, and Love as you celebrated your 90th birthday! What a Awesome Blessing!
I miss you already!
Love you Roland

“ To the Morse Family:

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*

“ Uncle Roland, you're certainly going to be missed. I'm guessing you no longer wanted to be the last man standing in the Morse clan! Please tell my God Parents Wallace & Frances hello. Don't forget to tell Aunt Katherine & Uncle Jack hello too! I'll cherish all memories I have of you. With tears in my eyes, followed by a smile, remembering all the times you said: "Gurl write this paper out for me!" R.I.H.P. Love your Niece of your extended family - Debbie!💙

“ Miss my Uncle already! He was the only man I would let call me “Jerry” and it was ok with me! 😊 I think I have a lot of his ways fortunately, I'm going to really miss his acting like he couldn't hear me when I said something to him that he didn't agree with or me trying to tell him what to do! That was some funny stuff! Love Ya Man and enjoyed assisting you as your health in everywhere but your “Mind” started to slow you down a bit...
