“ *To the Baker Family:*

*I was sorry to hear about the passing of your
loved one. Death is liken to a thief that comes
and takes away our love ones. Or due to old
age and sickness we lose that precious quality of life that leads to
death.*

*However, have you ever asked: Is death the end of it all? Or is there
something else after death? The bible clears up any question we
might have about death. It also shows that there is real hope for
persons who have faith.*

*Yours truly,
Patricia*
