“ My brother we've experience many wonderful things 2gether, our love of life and dogs to say the least. Your spirit will live within me until we meet again, our great village "St John", where we truly loved each other as a family. I truly respected you telling me to leave that situation alone which I didn't and It sent me to prison, thank you for not giving up on me, coming to see me, and treating me like a brother. We lived 2gether which was a very interesting time in both of our lives, and what you taught me has stayed with me like those teachers @ Roosevelt. Each of us will die, we can stop hating each other (family members), and use the rest of our seconds loving, and truly caring for each other. What is truly the measure of a person's life? How it touches other's, you did what you were created to do, and God called you home thank you for loving me, Yushin Adul Ibn Al-Haqq (Brother Servant of the Truth) Na"im Ibn Kekuyu Roberts Hubert Roberts Jr. is my slave name
