“ *I remember Ron when we worked for Flint Housing And Commission, Ron could really sing those songs that we were singing like "The Force MDS"& The Temptation, The Four Tops...etc!! That would make the time go by faster & Our Superiors knew that we were there in the apartments we were assigned to painting from top to bottom, (Baseboards) stripping and re-waxing the floors,any and everything that was" Needed "we did it!! With a cheerful heart! I also found that he was a little scrapper, also willing to fight with the QUICKNESS! No matter the fact that he was out weighted or taller, that was not a problem with Mr.Ronald Fitzgerald, The man was all Heart!*
