“ *W are so sorry for your loss .Please know that we feel the pain the pain the Ronald Hawley must be feeling at this time. Death is not natural. When Creator placed Adam and Eve in the Gardan of Eden, they were supose to live forever. They messed up with help of satan. But Jesus stepped forward and redeemed us all. At John chap.5: verses 28, 29 Jesus said,"all those in the GRAVES will hear his voice and come out." He demonstrated the power his father gave him in John 11 chaper when he resurrected Lazarus. In verse 25 of that chapter Jesus said"I am the ressurection and the life. He that exercise faith in me , even though he dies will come to life." We have to believe on Jehovah God word. And the promises of Jesus hear in the Bible.These and other scriptures has helped me and my family cope with the pain of death. I hope they help your family also. Again we are so sorry for your loss.
