*My heart is heavy now that I've had time to process that this is my play brother "Skate", I knew it, but didn't want to believe it was this Ronald Person, he's the only R.P in Flint I know. He was like a big brother to me growing up in Flint and always helped my grandparents Mr&Mrs Sims and my mom Maxine, they loved him, he always had a smile on his face and was willing to look out for me and checked on my mom when she was sick back in the day. I'll miss him dearly. R.I.P Big Bro. Luv U Much. Little Lyz*

“ My father, my friend a person that I will miss dearly. Its hard to believe that you're gone. But one thing for sure you will never be forgotten. All of the memories we have together will forever live with me as you rest. From the field trips to the weekend visits to Burger King. Its unreal the pain that I feel. When God called you home I had to put into play what you always told me be there for your mama. I know that you are watching me and forever I will live to make you proud. I love and miss you Daddy! May you rest in peace.

Thank you Brit ! Yes, memories will last a lifetime. From potty training your brother ,playing basketball , the Dr appointment , to all the surgeries and everything a loving dad is suppose to do. He is loved by many and will be missed . " Thinking about the good times we shared together "
