“ *When my sister told me that you had passed, I was in total shock. I remember the first time that we met when we were kids. You had the most beautiful smile that could light up a room. Anytime you had a chance to speak with your Uncle David and Aunt Sid, you would always ask about me which I always thought was incredible and sweet. May you rest in peace. My condolences to your parents and family. May God continue to hold you in his arms during this time of sorrow.*

“ *To my friend of many many year, I never imaged in all of my life, I would have to say goodbye to a true friend. We met in at Gundry, and became friend for life. We went our own ways, but always remain in contact. It a hard pill to take, but I know that you are in heaven with those who have gone before us. Wish I could get those random texts from you. Truly my brother, love always Carnell E. Smith "Champ"*

I will see you again, my friend,

“ *Damn homie, I never thought we would meet like this! It's like the good ones seemed to be the ones that go way too early. I can remember how we use to laugh and joke for hours. Making music for days until we got the right beat to go with the right sample. U was a genius when it came to those beats! I know God got a spot for u up there! Hold me down bro.! Watch over me when u get a chance. U will be missed and never forgotten!*
