“ To Debra Shelton and Family, I speak on behalf of the Harris Family we did not hear about his illness until 3 weeks prior to his death. We are definately sadden by Ronnie's untimely death. The Bible assures us that Ronnie is not suffering any more, "the dead are conscious of nothing at all(Ecc 9:5)". So with that in mind we are at peace with his death. Now, we can look forward to seeing Ronnie again, the Bible speaks of a earthly resurrection, John 5:28,29 states "Do not marvel at this, because the hour is coming in which all those in the memorial tombs (grave) will hear his (Jesus) voice and come out". Then Ronnie would have the opportunity to live forever right here on earth, when all the earth will be transformed into a paradise under the rule of Christ Jesus (Luke 23:43). May you look to Jehovah (Ps 83:18) for strength and comfort during this time of bereavement.
