“ *We are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.*

“Roosevelt was always an amazing friend to me and all our family at fmc dialysis. I have known him for the last 8 years of my life and during that time he and I loved to talk about the two daughters I had since I met him, and his awesome little grandson Anthony, that he loves so much. Our lives will never be the same without him around. His BBQing advice I will take with me throughout the rest of my life because that's what he loved to do. My heart and prayers are with all the family. I will miss you so much buddy. Your friend forever.

“I will always and forever miss Mr. Coates. He would always give me a hard time whenever i saw him. I am so saddened to hear of his passing, but one thing is for sure, he is no longer suffering. I will continue to keep his family in my prayers because I know that is a void that only God can heal. Be blessed. REST IN PARADISE MR. COATES.

“ Rosy was one of the bravest people I've ever met. he never complained about his health problems and he was a very ill guy. We will always remember him and Anthony coming across the yard with a plate of his killer bbq,he could cook some ribs and chicken! we'r very sorry for your loss, but we all know he's finally free of pain. Take care of yourself and God bless
