“ Shilda, I was saddened to read of your Dads passing. But I do know he is in a better place. I immediately thought of our childhood and what a good father your dad was to you and your younger sisters anytime I would see him when we became adults he always greeted me with a smile. And a hug. I want you and your family to know you are in my prayers. I am thankful to have known your Dad. And you will cherish your memories because he was truly a good father. May God be with you and stand strong. Love you, Tureia
